This certificate documents the authorship and authenticity of the artwork described, based on the information declared by the artist. Fine Art Editions Society registers this document in its public registry, in accordance with the international artwork identification standards established by Object ID.

The artwork was printed on a Canon PRO-4100 using Lucia PRO pigment inks. Meeting the ISO 9706 standard, the combination of cellulose/cotton fibers and pigments guarantees a lifespan expectancy of 200+ years under proper display conditions.
